

## CS317: Algorithms

## Homework Assignment #2

Due: See Canvas for Assignment Due Dates

(20 points)

*NOTE: NO LATE ASSIGNMENTS WILL BE ACCEPTED because we often review them in class on the due date.*

Please upload the document containing your answers. They can be handwritten and scanned, but they must be clearly legible to receive a grade on the assignment. PDF is the best format for canvas. **You DO NOT Need to include this cover sheet in your upload. It is formatted for the grader to use for me, as needed.**
